Quick Setup Guide: Automated WhatsApp Order Dispatch

TARGET WHATSAPP NUMBER
+91 9447446008

Goal: Automatically deliver customer orders directly to your business WhatsApp (**9447446008**) with complete details including customer phone number, prices, items, and delivery location.

1 Open Meta Developer Portal (Takes ~2 Mins)

1. Visit `https://developers.facebook.com` and log in with your Facebook account.
2. Click **My Apps** (top right) → click green **Create App**.
3. Select **Other** → click **Next** → choose **Business** → click **Next**.
4. Enter your app name (e.g. **Occasions Flowers**) and click **Create App**.

2 Enable WhatsApp on Your App

1. On the app dashboard, scroll down to **WhatsApp** and click **Set Up**.
2. In the left sidebar menu, click **WhatsApp → API Setup**.

3 Add & Verify Your WhatsApp Number (9447446008)

1. Under **Step 1: Select phone numbers**, find the **"To"** field dropdown.
2. Click dropdown and select **Manage phone number list**.
3. Enter your phone number: **+91 9447446008**.
4. Meta sends a 6-digit verification code to your WhatsApp. Enter the OTP to verify.

4 Copy the 2 Credentials and Send to Your Developer

On the same **API Setup** page, please copy and send us these two details:

1. PHONE NUMBER ID
A number such as `108472918472910` under "Phone number ID".

2. ACCESS TOKEN
A long authorization string starting with `EAAG...` under "Access token".
